Project Update

September 2019

It's been several months since our last update in February - we hope that you have been having a nice summer and enjoyed the sunny weather.

Project update:

We were really pleased to receive such a positive response to our initial proposals, thank you to everyone who shared their ideas and gave us feedback. To date we have spoken to more than 300 people; at the last consultation in January, **95%** of people thought that the South Molton Triangle would be a positive addition to Mayfair. For more information please visit the website www.southmoltontriangle.com or email southmoltontriangle@grosvenor.com

We had anticipated that our third and final phase of public consultation would take place this summer. However, the team are taking time to review Westminster City Council's draft policy and considering how best to progress our proposals considering this. We will continue to further update you in due course.

their plans for bringing 56 Davies Street to life can be found overleaf. Please get in touch with us or Sophie at Hartshorn-Hook directly at sophie@hartshornhook.com if you have any questions.

We will continue to keep you updated on the progress of this and any other temporary uses within the existing buildings.

GROSVENOR

The Immersive Gatsby - launching 18th October

You are invited into the life of Jay Gatsby for this immersive adaption of F Scott Fitzgerald's seminal tale of the Roaring Twenties. Expect to be absorbed into a world of jazz, bootleg liquor and pure self-indulgence as 56 Davies Street is transformed into Gatsby's Mansion. More details at www.immersivegatsby.com

We are pleased to be able to offer local residents subsidised tickets for this event. A number of £25 tickets will be available for each performance, and allocated on a first come first served basis. Please enter the discount code GATSBYBYGROV when purchasing online.

IMMERSIVE LDN are excited to meet their neighbours and are also happy to show you around the theatre outside of show hours, please email: george@hartshornhook.com if you are interested.

Launch of a local crowdfunding programme

We have partnered with civic crowdfunding platform Spacehive to create a new programme for the area, designed to bring local ideas to life. It gives you the opportunity to raise money for projects or activities that you'd like to see in your local neighbourhood - this could be anything from a local pop-up library, community garden or food market.

As part of the support available, Grosvenor's 'Mayfair & Belgravia Community Fund' can also contribute up to £5,000 to your campaign.

If you are interested in finding out more about the crowdfunding programme and how we could pledge towards your idea, please visit:
